

Student	Email	COURSE	ECTS
Noah SCHNURRENBERGER	noah.schnurrenberger@gmx.de	Mechanical Systems Design, Industrial Logistics, System and Project Management, Integrated Production Systems	24
Tobias GRIMM	tobias.grimm2@web.de	Mechanical Systems Design, Industrial Logistics, System and Project Management, Integrated Production Systems	24
Magdalena Gabriele LUTZ	magdalenalutz@gmx.de	Mechanical Systems Design, Factory Simulation	9
Ozgur Mustafa KOK	ozgurkok135@gmail.com	Communication, Product Design and Development, System and Project Management, Computer Aided Manufacturing, Integrated Production Systems	30
Abid ALI	abidali@student.univaq.it	Technical Drawing, Computer Programming 1, E- business in industrial engineering	16
Vlada BOZOVA	211669@edu.p.lodz.pl	Leadership Lab	3
Ceylin UNAL	ceynilunal1998@gmail.com	Communication, Product Design and Development, Computer Aided Manufacturing, Integrated	27

		Production Systems, Leadership Lab	
Aysegul USTA	aysegulusta55@gmail.com	Industrial Logistics, System and Project Management, Instrumentation and Measurement, Manufacturing Processes 1	23
Houssam SOUKAR	h.soukar@studenti.unibs.it	Mechanical Systems Design, Industrial Logistics, Technical Mechanics, Databases, Production and Operation Management, Mechanics of Materials 1, Mathematics 2, Modelling and simulation	43
Florian DUPONT	floriandup@liv.fr	Industrial Logistics, Product Design and Development, Computer Aided Manufacturing, Integrated Production Systems, Leadership Lab	30
Clement Paul Leo BENARD	clement.benard@utbm.fr	Industrial Logistics, Product Design and Development, Computer Aided Manufacturing, Integrated Production Systems,	30

		Leadership Lab	
Benjamin Philippe LORY	benjaminlory32@gmail.com	Industrial Logistics, Product Design and Development, Computer Aided Manufacturing, Integrated Production Systems, Leadership Lab	30
Cedric DUCTEIL	cedric.ducteil@insa-lyon.fr	Computer Aided Engineering, Recherche scientifique 3, System and Project Management, L`industrie 4.0 - numérisation de l`usine, Conception et fabrication intégrées	32
Remi LAURIOU	remi.lauriou.21@eigsi.fr	Mechanical Systems Design, Computer Aided Engineering, System and Project Management, Instrumentation and Measurement, Manufacturing Processes 1, Finite Element Analysis of Solids	30
Mattys THIEBOT	mattys.thiebot.21@eigsi.fr	Mechanical Systems Design, Computer Aided Engineering, System and Project Management, Instrumentation and Measurement,	30

		Manufacturing Processes 1, Finite Element Analysis of Solids	
Nicolas Paul Andre BOLS	nicolas.bols@insa-strasbourg.fr	Product Design and Development, Leadership Lab	10
Cagberk CURA	cagberkc@gmail.com	Industrial Logistics, System and Project Management, Leadership Lab, Databases, Manufacturing Processes 1	28
Rodriguez Correro SERGIO	sergiorodriguezcorrero@gmail.com	Technical Drawing, Mechanics of Materials 2	13
Sadet SOLAK	sadetsolak@gmail.com	Communication, Product Design and Development, System and Project Management, Computer Aided Manufacturing, Integrated Production Systems	30
Sedef Yaren CINAR	syarencinar@gmail.com	Communication, Product Design and Development, System and Project Management, Computer Aided Manufacturing, Integrated Production Systems	30
Abdurrahman ALGAN	alganapo@gmail.com	Industrial Logistics, Product Design and Development, Computer Aided Manufacturing, Integrated	30

		Production Systems, Leadership Lab	
Yasar AVCI	yasaravc5@gmail.com	Industrial Logistics, Product Design and Development, Computer Aided Manufacturing, Integrated Production Systems, Leadership Lab	30
Ozlem Yagmur AYDEMIR	o.yagmuraydemir@outlook.com	Industrial Logistics, Product Design and Development, Computer Aided Manufacturing, Integrated Production Systems, Leadership Lab	30
Kemir Ege ERSOZ	ersozege@hotmail.com	Experimental Research - Project, Experimental Research	7
Mesut ASLAN	mst.aslan58@gmail.com	Experimental Research - Project, Experimental Research, Mechanical Behaviour of Engineering Materials	13
Esenuke MURSELIM	esenbukrmrsim@gmail.com	Communication, Quality Engineering and Management, System and Project Management, Integrated Production Systems,	31

		Leadership Lab, Industrial Logistics	
Melis YILMAZ	melisyilmaz96@gmail.com	Communication, Quality Engineering and Management, System and Project Management, Integrated Production Systems, Leadership Lab, Databases	30
Mert POLAT	polat_msn98@hotmail.com	Communication, Product Design and Development, System and Project Management, Databases, Production and Operation Management, Modelling and simulation, Engineering Economics, Materials Technology, European Culture and Civilization	44
Yusuf Gorkem KARACOBAN	yusufgorkemkaracoban@gmail.com	Technical Drawing, Probability and Statistics, Mechanics of Materials 2, Sport, Technical Mechanics, System and Project Management, Instrumentation and Measurement	35
Ceyda KOKSAL	ceydakoksaal@gmail.com	Mechanical	30

		Systems Design, English language, Sport, System and Project Management, Instrumentation and Measurement, Manufacturing Processes 1, Finite Element Analysis of Solids	
Mahsum AKGOK	mahsunakgok@gmail.com	Mechanical Systems Design, Computer Programming 1, Manufacturing Processes 1, Tolerances Design, Machine elements, Computer Aided Design 2, Materials Technology, Technical Drawing	43
Mustafa Kerem AKYIL	keremakyl99@gmail.com	Probability and Statistics, English language, Communication, Manufacturing Processes 1	19
Seda ISIK	s.edakk95@gmail.com	Probability and Statistics, Mechanics of Materials 2, Manufacturing Processes 1	18
Anil EVIRGEN	anilevirg59@gmail.com	Probability and Statistics, English language, Communication, Manufacturing Processes 1	19

Yagizhan Burak OZYREK	ybrk35@gmail.com	Mechanical Systems Design, English language, System and Project Management, Instrumentation and Measurement, Manufacturing Processes 1, Finite Element Analysis of Solids	28
Erkan TUNA	tunaerkan98@gmail.com	Industrial Logistics, System and Project Management, Computer Aided Manufacturing, Databases, Supply Chain Management, Technology Strategy, Quality Assurance, Modelling and simulation, Engineering Economics, European Culture and Civilization	53
Sercan SAYALI	sercansayali2626@gmail.com	Mechanical Systems Design, Instrumentation and Measurement, Manufacturing Processes 1	14
Mucahit GULER	mucahtguler2@gmail.com	Probability and Statistics, Manufacturing Processes 1, Manufacturing Processes 2, Engineering	24

		Economics, Materials Science	
Ilayda GUZEL	i.n.guzel.hepsi_@hotmail.com	Mechanical Systems Design	4
Quentin ROUET	quentin.rouet@insa-lyon.fr	Computer Aided Engineering, Recherche scientifique 3, System and Project Management, L`industrie 4.0 - numérisation de l`usine	27
Tanguy HANNEBICQ	tanguy.hannebicq@ecam.fr	Factory Simulation	5
Osman CIHANGIR	osmanchngd@gmail.com	Mechanical Systems Design, Mathematics 1	9
Emile MINIE	emile.minie@etu.imt-lille-douai.fr	Experimental Research - Project, Experimental Research, Scientific research 1/Practical stage 1, Product Design and Development, Mechanical Behaviour of Engineering Materials, Manufacturing Processes 1, Advanced Production Planning and Scheduling	43
Florian BOYER	florian_boyer@yahoo.com	Factory Simulation	5
Lea ROYER	lea.royer@ecam.fr	Conception et fabrication intégrées, Factory Simulation	10

Carlos Javier ALVAREZ CRUZ	ccaart.ac@gmail.com	Industrial Logistics	7
Juan GOMEZ LOPEZ	juanito10cr@hotmail.com	Industrial Logistics	7
